Curriculum introduction

In the ancient city of "Petra," the breath of history flows in the desert. However, on Liberty Island in New York Harbor, stands the Statue of Liberty, which holds torch highly.

Curriculum introduction

The Statue of Liberty is short for "Statue of Liberty National Monument." Its former name was "Liberty Enlightening the World." It was gifted by people of France to American in 1876. French built it for memorizing one hundred years anniversary of the victory of American Revolutionary War.

Curriculum introduction
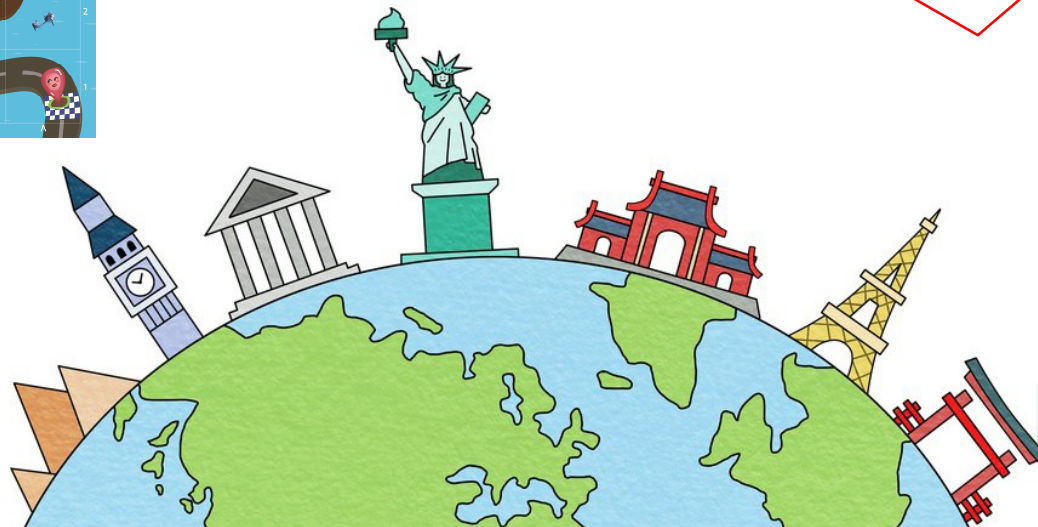

my stature have 46meters, you can see me far away.

The Statue of Liberty is dressed in ancient Greek-style clothes. It wears a pearlescent royal crown on her head, and the right hand holds highly the torch symbolizing freedom. The statue Holds the Declaration of Independence in her left hand; Under the foot are broken handcuffs, fetters and curb chains. The Statue of Liberty symbolizes American people's high ideals that strive for democracy and freedom.

Robobloq

Curriculum introduction

The Statue of Liberty is in a remote place. For Qobo, that is a hard journey.

Card explanation

Apple card : When Qobo is on the apple card, It promptly picks up apple, then advances one step forward.

Hands and brains

Qobo plans to set off from Shanghai and reach the Statue of Liberty of America via the seaway. Qobo brings a lot of apples in his backpack.Children, think about that use cards that in your hands build a sea lane.

Hands and brains

We have reached America via seaway, and we have seen the Statue of Liberty. Children, we can use the color light card in our route to make the voyage more colorful. Try it with your hands.

Task challenge

In addition to building sea route, we can try to build a land route to see whether it can reach there successfully. Using different vehicle card to build a new route with your hands.

After-class sharing
